

INVESTMENT PROFILE

GROWING CORPORATES

Our 15+ years experience in founding and managing over 50 businesses allows us to share expertise, network and capital with thriving business models and excellent people. We are constantly looking for talents that develop convincing business ideas and seek for strong support and partnership in getting started or managing their existing set up. We aim to be long-term partners in unlocking the ideas' full potential, preferably within our core sectors real estate and fitness, health & lifestyle.
